

WASHINGTON ATHLETIC CLUB

OUR PURPOSE

We believe good things happen with hard work and the right opportunities. Financial shortfalls should not be a barrier for any student athlete. Our athletes receive ZERO funding from the state or district for ANY equipment. WAC raises funds to support all 23 sports and approximately 700 athletes.

Join Us!

HOW WE SUPPORT WASH

We work with the Athletic Department to fund needed equipment, coaching memberships, required software, officials, uniforms, team entry fees, state competitions, and both short and long term upgrades. Funds come from spectator fees, activity passes, and WAC donations.

Monthly meetings are held on the 2nd Wednesday at 5:30 pm
